Working To Unite Our Community !

Dear Neighbors,

This is our 3rd edition of our Monthly Calendar of Events. On the back you will find a list of all of the activities and functions that are going on in our Ward for the Month of August. I just want to start by saying it has been a productive four months for our Ward since I have been in Office. From the rally for universal health care, fighting for senior rights at 69 Webster street/114 Bristol St., to the stop the violence youth tours, Ward Youth Center Advocating, Green space revitalization on Frances Hunter Drive/various lot cleanups, to our Open Mic nights at Wexler Grant and more . Ward 22 is a ward that's on the move and headed for greatness. I would like to take the time to thank all of the Ward 22 residents that have united to make all of our programs and forums a success. I hope that as time goes on, more residents will become involved with the various things that are happening in our Ward. I was elected by you back in April resulting from a Special Election. We have come a long way since April and if you didn't know, there is another primary election taking place on Tuesday September 11, 2007. I urge everyone to come out on this day and make your voice heard again. After I get re-elected, I will continue to finish what I have started in our community and fight for the rights of all of the residents in our Ward. If you would like to hear about the other items that I have been working on outwardly and behind the scenes, or if you would like to help with any activities, please contact me.

Have a Safe and "Cool" Summer.
