

-Ward 22 JULY Calendar on Rear-

Dear Neighbors,

I urge everyone to get involved with the various functions and events that will be taking place in our Ward. I would like to highlight some very important events that we have lined up this month. On this Saturday, at 3PM, we will have an **End of The School Year Family BBQ** over on Ashmun Street. We will block off that entire street between Webster and Foote Streets and we will honor those residents who have graduated from school whether it is grade school or college. I also will be doing something special for those residents who did not excel this year in school, but to let them know that you can do better if you work a little harder. On Monday July 16, I will be having the **Secretary of State, Susan Bysiewicz** at Wexler Grant School @ 7 PM to demonstrate the new voting machines that will be used for this upcoming election in September. Please do not miss this opportunity to be trained on the new system so that your vote will count in this election. We will have again this month, our **Summer Open Mic Night** on July 28 over at Wexler Grant School. I will be having a Youth Rap Session where we delve into Youth Violence and Crime by hearing from various speakers ranging from James Tillman to Rapper Picasso Perfecto (New Haven). This event will start promptly at 2PM over on the stage outside of Wexler Grant School(55 Foote Street). If you know of any residents from ages 10 and up that needs to hear from other youth that have gone down the wrong path but have changed their lives around, please join us as we get to the root of Youth Issues. After the Rap Session, at 5 PM, we will begin our **Open Mic Night** and portray residents from our Ward that can sing, rap, dance, recite poetry, or play an instrument. Please come and be supportive of your fellow residents. We will again have free food and prizes for our residents. Rain or Shine, the event will go on. The deadline to signup for the Open Mic or to be a speaker for the Rap Session is July 21st. I can be reached at 507-7766.

Please be supportive as I work to Unite Our Community.

Ward 22 Website will be up and running very soon...

Regards,

Alderman Greg Morehead
