*Working To Unite Our Community !*

---

Dear Neighbors,

It has been a little over a month since I was sworn into office and I have been working tirelessly for our Community. Many issues have come to my attention and I have begun to work on the matters at hand and many have been rectified. I continue to ask you to contact me with your issues and concerns; because if I don't know what concerns you may have regarding our Ward, I cannot address your needs. With the help of some of the residents of our Ward, we have put together a Ward 22 Community Calendar of Events that is on the back of this page. These events and activities are open to ALL residents of our Ward except where noted for specific requirements. I encourage everyone to come out to the activities, and meetings that are listed on our Calendar, so that you don't miss out on having a great time by attending our events, or by passing up information from our gatherings that could be beneficial for you. I passed out flyers for our Open Mic Nights that will kickoff on Sat. June 30. If you would still like to sign up to portray your talent(s), please contact me before the signup deadline of June 8, 2007. These events will feature residents of our Ward who can Sing, Rap, Dance, Recite Poetry, or Play an Instrument. *Please look out for our Monthly Ward Newsletter that will be released soon..*

“Develop an attitude of gratitude, and give thanks for everything that happens to you, knowing that every step forward is a step toward achieving something bigger and better than your current situation.” – Brian Tracy

If you have any questions regarding any of the events on our calendar, if you would like to give your input for future events, or if you have issues/concerns, please contact me at 203.507.7766.

**Ward 22 Website will be up and running very soon...**

**Regards,**

*Alderman Greg Morehead*
